

Partial Sum of Arithmetic Sequences**Numeric Response**

1. Find the partial sum to term 14 for the following sequence:
1, 4, 7, 10, ...
2. Find the partial sum to term 25 for the following sequence:
4, 5, 6, 7, ...
3. Find the partial sum to term 16 for the following sequence:
-8, -1, 6, 13, ...
4. Find the partial sum to term 20 for the following sequence:
5, 11, 17, 23, ...
5. Find the partial sum to term 19 for the following sequence:
-5, -2, 1, 4, ...
6. Find the partial sum to term 27 for the following sequence:
-7, 2, 11, 20, ...
7. Find the partial sum to term 20 for the following sequence:
6, 5, 4, 3, ...

Partial Sum of Arithmetic Sequences
